From Vision to Realization: Santa Ana’s Journey towards Becoming a Great Place in America...and a Just and Equitable City
(see attached for details and speaker bios)

Last year, the [American Planning Association](#) (APA) named Downtown Santa Ana as one of the 2016 [Great Places in America](#) (GPA) in the Great Neighborhoods category. This designation is considered “the gold standard in America’s neighborhoods, streets, and public spaces” granted by APA.

9:00 am - 10:40 am During the first part of the session the panel of speakers will explore the socioeconomic dynamics spanning over 20 years since Downtown Santa Ana was envisioned as a major cultural destination in Orange County. Through anecdotes, the presenters will discuss the Downtown’s redevelopment efforts since its inception, its current and foreseeable citywide impacts on local community development, housing, public health outcomes and social equity. The second part will consist of a listening session lead by OPR about the implications of [SB1000](#) on Santa Ana’s present and future success.
